

The mechanics of why the DPS Labor Council
is ready to represent all DPS employees.

The Arizona Labor Council long ago anticipated the future needs of Arizona's law enforcement community and structured its local bargaining units so each segment of an agency would be fairly represented by members of that group. The DPS Labor Council is structured such that the Arizona State Troopers Labor Council and the DPS Civilian Labor Council will each play a vital role in the contract developed by the DPS Labor Council. Each group has unique issues to address; your voice in the bargaining process will be the DPS Labor Council.
